To Whom It May Concern,

We have been a tenant at Gardens Industrial for over 8 years and we are happy to say our experience with the property, staff and management has been great. The property is well taken care of and the staff is very responsive to our needs. Our industry can be seasonal and the flexibility we have with Genet Property Group has helped us grown when we needed it.

We definitely recommend Gardens Industrial and Genet Property Group to any business owner looking for a quality warehouse at a reasonable price- they are fair and honest!

Sincerely,

Yaniv Dalei 

President
